I am a vegetarian, but I don't think I'm the exception to this rule. Finding great vegan meals has been easier than I thought, and the choices out there are endless. I've gotten into the swing of vegan eating by trying some of the many flavors of soy and mushroom bacon. I love the taste of soy, so maybe it's a good thing to start from there. I find soy milk a bit thicker than dairy milk, so I use either as a milk replacement. I love mushroom bacon. How can you not love mushrooms and bacon together?! Despite how mushroom bacon may sound, it's actually quite good. The texture is reminiscent of an Italian sausage, and when served as a breakfast roll, the bacon is tucked into the center. Apparently
