At a time when no one trusts the Hindi film industry to be a progressive force in Indian cinema (which is "always" just about to bring down the government), the fact that a man who is not welcome in most other other great film industries of India, has made a movie that is as genuinely human and good as any of them, is, I daresay, as an outlier. BILLA, which also happens to be the name of a neighbourhood in New Delhi, to reiterate the matter, is a film that does not seek to be the most political or the most brutal, but just the least greedy of its kind. It may not be a celebration of women (though it does feature one of the most vital and powerful performances by Vidya Balan in recent memory), and yet is not afraid to be a little dramatic (in a good way) at times (helped by a strong cast that includes Naseeruddin Shah, R. Madhavan, and others). What Mr Basu has done is nothing short of a miracle. Search Result : Bommali from Billa Video Song in Telugu is the popular song from the movie Billa (Telugu) 2017.
